Part 13 About paying your Housing Benefit and Council Tax Support

Council Tax Support

We will take your Council Tax Support off your Council Tax bill. We will send you a new bill once we have worked out your benefit.

Help with your rent if you are a council tenant

If you are entitled to help with your rent you will get Housing Benefit. We will take this off your rent. This means that you will pay no rent, or a reduced amount, each week.

Help with your rent if:

- you are a housing association tenant;
- you live in a caravan, houseboat or mobile home;
- your tenancy started before 15 January 1989;
- you were receiving Housing Benefit at this address before 7 April 2008 and there has not been a break in that claim; or
- your rent includes an amount for support services or board and lodging.

Part 13 About paying your benefit – (continued)

If you are entitled to help with your rent you will get Housing Benefit. We can pay this into your or your landlord's bank or building society account.

If this applies to you, how would you like us to pay your Housing Benefit?

Direct to my landlord We will contact your landlord for their account details.

To my bank or building society account Fill in your account details below.

Help with your rent if you are a private tenant who is not in any of the categories above

If you are entitled to help with your rent you will get Local Housing Allowance. By law we must pay this to you unless you would not be able to manage your rent payments (for example, because you have a learning disability, have language problems, are ill, are in a lot of debt or are addicted to drugs, alcohol or gambling).

If you think you would not be able to manage you rent payments, tick this box.

If you can manage your rent payments we will pay your Local Housing Allowance direct to your bank or building society account.

If you do not have a bank or building society account, tick this box. We will send you information about opening a basic account.

If you already have a bank or building society account, give your account details below.

Part 14 Supported accommodation

In this part, please tell us if any support services are included in your rent. (For example, a warden or caretaker service, an emergency alarm system, cleaning for any shared areas, general counselling and support, or personal care and support.)

Does your rent include any support services?

No Go to **part 15.**

Yes

Housing Benefit and Local Housing Allowance do not cover the cost of support charges, but if you are entitled to Housing Benefit or Local Housing Allowance you will get help from your Supporting People Partnership Team. So they can help you, they will need information about your entitlement to benefit. If you want us to, we can give them this information so that they do not have to ask you for it, but we need your permission to do this. The information we will pass on is your full name and address, your National Insurance number, and the date your entitlement to Housing Benefit or Local Housing Allowance started. The Supporting People Partnership Team will use this information to assess how much they can pay towards the cost of your support services. Your support provider will have given you more information about the Supporting People Partnership Team and what they do.

If you agree to us giving the Supporting People Partnership Team information, sign below.

Your signature:

If you do not sign above, this will not affect your Housing Benefit or Local Housing Allowance but may delay any help you get towards the cost of your support services.

Part 15 Date you wish your claim to start from?

Working age claimants (not yet attained State Pension Credit age):

We can usually start paying benefit from the Monday after the day we get your claim. Sometimes, we can pay benefit from an earlier date if you have a good reason for not claiming earlier. If you want us to consider paying your benefit from an earlier date, tell us when you want benefit from and why you did not claim earlier.

Backdating limits

- **Council Tax Support** – maximum of 6 months (subject to a consultation review in 2016)
- **Housing Benefit** – maximum of 1 month (from the 1st April 2016)

Tell us the date you want to claim benefit from.

Tell us why you did not claim before this date. (If you need more room use a separate sheet of paper)

Pension Age claimants:

If you, or your partner, have attained state pension credit age your claim can automatically be considered from either:

- Three months prior to your date of claim; or
- Your rental or council tax liability start date – if this was less than three months ago; or
- The date you, or your partner, attained state pension age – if this was less than three months ago.

Unfortunately, your claim cannot be considered back any earlier than the above 'pension age' limits. In order to determine your entitlement you should provide evidence of all of your income and capital covering the THREE MONTH period prior to your date of claim.

Part 16 About help dealing with your benefit claim

- Have other people living in the property but have not told us about them;
- Are working and claiming Income Support or Job Seekers Allowance;
- Have not told us about all their income; or
- Have not told us about their savings or investments (including any property they own)
