Summary of the purpose of the grant	As the Infrastructure Organisation for Bolsover District CVP undertakes 5 core functions:	Derbyshire Law Centre will provide free legal services to the residents of Bolsover District specialising in: community care, debt, employment, homelessness, housing and immigration. The Law Centre will also endeavour to secure to contracts that will benefit the residents of Bolsover district, for example legal aid.	To offer welfare rights advice and representation to unemployed, underemployed and unwaged workers and those in receipt of, or entitled to, benefits	Groundwork Creswell, Ashfield and Mansfield will aim to develop and deliver programmes of work that relate to areas identified in the District of Bolsover Council Corporate plan.	Junction Arts is a participatory arts organisation that delivers arts activities and events to local communities and individuals within Bolsover district and the wider East Midlands.	NEDCAB will provide initial generalist advice and ongoing casework, where appropriate, to telephone callers to our dedicated Triage line. NEDCAB will also take direct referrals from BDC particularly in respect of welfare reform and housing issues.	The Bolsover District Council funding supports the core functions of Rural Action Derbyshire and enables the development and management of services relating to rural communities and activity. All of the services listed below require additional resources in order to take place and can not be delivered through the Bolsover District Council grant alone. Consequently the list of services and activity delivered during the year will vary according the levels of other funding available. Wheels to Work Community Buildings advice and information Support for Community Led Planning and Neighbourhood Development Plans Oil Buying Scheme Suicide Awareness Training Rural Matters – bulletin providing information to rural communities and agencies operating in rural areas.	The Trade Union Safety Team (TRUST) offers support and assistance to workers and former workers (and families) who have been injured by work.
