POLICY

1. Introduction

1.1 BACKGROUND

Bolsover District Council has a responsibility for licensing hackney carriages and private hire vehicles, drivers and operators within the district of Bolsover.

NB. Any reference in this Policy to notifying, informing, or otherwise contacting, the Council means contacting the Council's Licensing Section.

Unless otherwise stated, where the term "Taxi" is used in this Policy it is a generic term including hackney carriages and private hire vehicles (which retain their specific meanings set out in the Glossary of Terms below).

1.2 ROLE OF HACKNEY CARRIAGE AND PRIVATE HIRE VEHICLES

Hackney carriage and private hire have a specific role to play in an integrated transport system. They are able to provide services in situations where public transport is either not available (for example in rural areas, or outside "normal" hours of operation such as in the evenings or on Sundays), or for those with mobility difficulties.

1.3 BEST PRACTICE GUIDANCE

The Department for Transport's Guidance considered views about what constitutes "Best or Good Practice" in terms of hackney carriage and private hire licensing. The Best Practice Guidance has, therefore, been used as an aid in shaping this policy.

1.4 CONSULTATION

There are a number of groups and organisations that have an interest in the provision of hackney carriage and private hire vehicle services, including the trade itself, residents and enforcers, all of whom have views and concerns that require consideration. In drawing up this policy, the Council has consulted with the following -

This list is not definitive -

- Authorities who border Bolsover District Council
- Derbyshire County Council
- Other departments within Bolsover District Council
- Members of Bolsover District Council

- The hackney carriage and private hire trade including all licensed operators within the district
- Parish Councils
- Derbyshire Constabulary
- Derbyshire Police & Crime Commissioner
- Chief Fire Officer for Derbyshire
- Derbyshire County Council Trading Standards
- Derbyshire County Council Transport
- Social Services, Child Protection Office

1.5 POWERS AND DUTIES

This Statement of Licensing Policy has been produced pursuant to the powers conferred by the Local Government (Miscellaneous Provisions) Act 1976, as amended, which places on the Council the duty to carry out its licensing functions in respect of hackney carriage and private hire vehicles.

1.6 STATUS

In exercising its discretion in carrying out its regulatory functions, the Council will have regard to this policy document and the objectives set out above.

Notwithstanding the existence of this policy and any other relevant Council policy, each application or enforcement measure will be considered on its own merits. Where it is necessary for the Council to depart from its policy, reasons will be given for so doing.

2. Scope

In setting out its policy Bolsover District Council seeks to promote the following objectives -

- the protection of public health and safety;
- the establishment of a professional and respected hackney carriage and private hire trade;
- access to an efficient and effective public transport service; and
- the protection of the environment.

The aim of this policy is to regulate the hackney carriage and private hire trade in order to promote the above objectives.

3. Principles

The aim of licensing the hackney carriage and private hire vehicle trades is, primarily, to protect the public as well as to ensure that the

public have reasonable access to hackney carriage and private hire services because of the local transport provision.

Its purpose is to prevent licences being given to or used by those who are not suitable people taking into account their driving record, their driving experience, their sobriety, mental and physical fitness, honesty, and that they are people who would not take advantage of their employment to abuse or assault passengers.

It is important that the Council's powers are used to ensure that those who make provision for the booking of private hire vehicles in the district are suitable and safe, and that the powers are exercised in compliance with the European Convention on Human Rights.

4. Statement of Policy

4.1 PRIVATE HIRE OPERATORS

4.1.1 REQUIREMENTS AND OBLIGATIONS

Any person who operates a private hire service (except a hackney carriage proprietor who permits hackney carriages to be used for private hire) must hold a private hire operator's licence. The objective in licensing private hire operators is ensuring the safety of the public, who will be using operators' premises, vehicles and drivers arranged through them. "Operate" means to make provision for the invitation or acceptance of bookings for private hire vehicles in the course of business.

Before allocating a booked job, a private hire operator must ensure that the vehicle and driver are suitably licensed and fit and proper for use.

4.1.2 CRIMINAL RECORD CHECKS & SAFEGUARDING

Before an application for a private hire vehicle operator's licence will be considered, the applicant must provide a current (less than three months old) Disclosure & Barring Scheme basic criminal disclosure or, in the case of an overseas applicant, sufficient other evidence to satisfy the Council of their suitability. The DBS application must be carried out through the Council and not by another organisation.

Where Operators have supplied an enhanced DBS Disclosure as part of a driver's licence application, they will not be required to provide a separate basic disclosure under this section if the enhanced check is still current.

Where the applicant is a company or partnership, every director, partner or person with day to day control of that company or

partnership (where appropriate) will be required to submit the information required above.

All applicants will also be required to sign up to the DBS Update Service and to authorise the Council to carry out status checks using the Service. Licence holders will then be required to maintain the Service at all times while licensed. If the update service lapses they will be required to apply for a new DBS Disclosure and renew their Update Service subscription. Failure to do so could result in their licence being suspended.

If at any time the Council considers it appropriate to require a further DBS disclosure be provided the relevant individual must provide one, at their own expense, as soon as reasonably practical.

Before a licence is granted or renewed all Operators will be required to undertake mandatory safeguarding training and assessment.

4.1.3 CONDITIONS

The conditions set out in Appendix A are considered reasonably necessary and will apply to all operators licences.

4.1.4 LICENCE DURATION

A successful applicant will normally be granted a private hire operator's licence for 5 years. However, if Operators wish to be granted a licence for a shorter period, or there are other grounds to consider a shorter period, the Council will consider this in exceptional circumstances.

It is the licence holder's responsibility to ensure that their operator's licence is renewed appropriately before expiry.

Evidence of a licence holder's continuing fitness to hold a licence must be provided when requested by an authorised officer of the Council.

4.1.5 ADDRESS FROM WHICH AN OPERATOR MAY OPERATE

The licence will specify the address from which the operator may operate. The operator must notify the Council in writing of any change of address (whether this is a home address or the address from which they operate) during the period of the licence, prior to changing the address. A business cannot legally operate from an address not specified on its licence.

4.1.6 BASES OUTSIDE THE COUNCIL'S AREA

The Council will not grant an licence for an operator with a base that is outside the boundary of the district. This is considered both a legal

requirement and a means to ensure that proper regulation and enforcement measures may be taken.

The Council will cease to renew the licences of operators who are currently licensed for bases outside the Council's area.

4.1.7 PRIVATE HIRE FARES

Private hire fares may be determined by the operator that takes the booking. The operator may make their own agreement with the hirer as to the fare for a particular journey.

A private hire vehicle may have a calibrated meter, in which case a table of the Operator's applicable fares (which match those charged by the meter) must be displayed.

4.1.8 SUB-CONTRACTING

Where an Operator engages in sub-contracting of bookings, or holds more than one Operator's licence (whether with one or more authorities) they will be required to maintain clear records of which licence all bookings are recorded and carried out under.

5. Responsibility for Implementation

This Policy will be implemented by, and at the discretion, the appropriate officers as determined by the Council's delegations scheme.

This and other policies set out the principles that govern the Council's licensing of hackney carriage and private hire vehicle drivers, operators and vehicles. Minor modifications to conditions, specifications or procedures may from time to time be modified by officers acting under delegated powers, except where not appropriate to do so.
