Your Ref

Date 27 December 2018

Dear Rob,

BOLSOVER LOCAL PLAN EXAMINATION: REPRESENTATIONS 8359 AND 8361 FROM CHESTERFIELD BOROUGH COUNCIL

I am writing to confirm that Chesterfield Borough Council wishes to withdraw its objections to the Bolsover Local Plan, numbered 8359 and 8361.

Representation 8359, Policy SS6 Strategic Site Allocation – Clowne Garden Village

You will recall that our objection related to the evidence for ‘exceptional circumstances’ to justify the release of green belt land in this location. The borough council recognises that the position on this site has now advanced, with a resolution to grant consent in place and a decision having been made by the SoS not to call in the application. We are satisfied the substance of our objection has now been resolved are withdrawing the objection.

Representation 8361, Gypsies, travellers and travelling showpeople

This objection related to the publication of evidence on the sites that had been reviewed as part of the assessment of available land. The Position paper of August 2018 sets out in some detail the sites that were considered and the basis on which they were rejected as potential sites. The council is satisfied that this resolves the substance of the objection.

The council therefore wished to withdraw the objection.
Yours sincerely,

Alan Morey
