Notice of Review of Polling Districts and Polling Places

The Review of Polling Districts and Polling Places (Parliamentary Elections) Regulations 2006 (as amended)

The above regulations require Bolsover District Council to carry out a review of its Polling Districts and Polling Places on a regular four-yearly cycle. We are looking for feedback on any aspect of polling districts and/or polling places currently used and invite representation and comments from interested persons.

Parish Councils, Local Councillors and the MP will be consulted and views are invited from electors within the Parliamentary Constituency of Bolsover as well as such persons as may have particular expertise in relation to access to premises or facilities for persons who have different forms of disability. Local community groups will also be consulted.

The consultation period for the review will commence on Monday 4th November 2013 and end on Tuesday 2nd January 2014.

Although the review is of polling districts and polling places, it is accepted that polling stations are inexorably linked to the review and comments are invited regarding those stations currently used and/or any suggested alternatives. Information regarding the current polling districts and places can be found on the Council’s web site at http://www.bolsover.gov.uk/polling-districts-places-review.html or at the Council’s Offices in Clowne and Contact Centres in Bolsover, Shirebrook and South Normanton.

Representations should be submitted by Tuesday 2nd January 2014 to:
